PARISH REGISTRATION

Although you may have been attending Mass at Our Lady of Prompt Succor for years, have you ever registered in the Parish? "Registered" means that you have filled out a Parish Registration Form. If you are registered, but have recently moved, changed your phone number, become of age and moved from the family household, recently married, had a child, or any other change of status, please contact the Parish office to update your information or you may complete a new Registration Form online at www.olpssulphur.com.

Why should you register? Your registration affects a Parish in many ways: Census numbers may determine how many priests are assigned to a Parish, what benefits and obligations the community has to the Diocese, and how many Masses and programs are planned and scheduled.

Registration enables the Parish Priest and his staff get to know you better, and helps them to better communicate with you.

You will also receive a packet of envelopes to use for your regular weekly contributions. This is important if you want to receive a year-end statement from the Parish for income tax purposes.

All Catholics are expected to participate at Mass on Sundays, and Holy Days of Obligation, go to Confession at least once a year, receive Communion at least once a year and during the Easter season, join in fast and abstinence during Lent, provide for the support of the Parish through monetary gifts and/or active service. Registration at a Parish helps us to help you live a faithful Catholic life.

Remember, you can only be "registered" at one Parish, which is considered your "home Parish."
